Couples may choose to add their own additional décor if they wish.

After dinner, your guests can move into the adjacent, uber chic Heights Lounge where there is space for a band or DJ and

dance floor and there is also a full bar and a full length balcony leading off the Heights Lounge for those who wish to step outside.

Because the hotel is exclusively booked out for you, there are less restrictions with regards to late entertainment.

Our Wedding Co-ordinator will work together with you to advise the minimum number of rooms which will need to be booked in order for us to close the hotel on your behalf.
